CENSUS OF THE COMMONWEALTH, 30TH JUNE, 1961.

NO.9. NEW SOUTH WALES - POPULATION OF SHIRES.

This Bulletin contains particulars of the population recorded in each Shire in New South Wales at the Census of 30th June, 1961. Figures are also shown for each Non-municipal Town with a population of 1,000 persons or more within these Shires.

These figures are issued at a comparatively early stage in an interim form as they are derived from the initial Field Count and may in some cases be subject to considerable amendment on completion of tabulation.

The Shires and the Non-municipal Towns have been arranged in groups by Statistical Divisions, then in alphabetical order.

Non-municipal Towns, as the name implies, are towns which are not separately incorporated for purposes of local government. They have been indicated herein by adding the letters "N.M." after the name of the town. Boundaries of these towns were specially determined for Census purposes to embrace the urban areas which could be regarded as the town.

NEW SOUTH WALES

POPULATION OF SHIRES IN STATISTICAL DIVISIONS AT 30TH JUNE, 1961

(Exclusive of Full-blood Aboriginals)

NOTE: These figures are derived from the Census Field Count and may be subject to considerable amendment on completion of tabulation.
"N.M." indicates a Non-municipal Town with a population of 1,000 persons or more.
